Attestation

Freelance journalist Steinar Sund (010956) has worked for us on a freelance basis through his own company (orgnr. 890545742) as a journalist and translator since May 2014. His provisional last assignment for us was delivered in May 2017.

Steinar has delivered articles to the magazine SMART + (formerly HjemmePC) based on his own ideas and suggestions, and based on specific assignments from us. Steinar has also contributed in whole or in part to translating theme books from English to Norwegian. Steinar works fast, accurately and always delivers at the agreed time. Steinar has contributed to translations on many different topics; everything from gaming via photo to data and technology.

Steinar has without any problem related to our systems, be it Word, PagePlanner or InDesign.

I give Steinar Sund my best recommendations!

With best regards
Hallvard Lunde
